Page: 2 of 2

Line	Product Id	Description	Days Billed	Quantity	Unit Amt	Net Amount
19	ZZTAXUSF	MISC: UNIVERSAL SERVICE SURCHARGE (USF)				\$157.12

AMOUNT DUE IN USD : \$5,783.33

We impose a surcharge of 2.5% on the total transaction amount on all credit card payments. The surcharge is based on the billing address on the top of your invoice and is not greater than our cost of acceptance. We do not surcharge debit cards.

Regulatory Recovery Fee (RRF): As a provider of a public communications service in the US and Canada, we are required to make contributions to government programs and funds, comply with regulations relating to universal accessibility and number portability (among others), file periodic reports with the FCC (in the US) and respond to law enforcement and other official requests relating to the traffic on our network. We charge the RRF for complying with communications regulations. This is not a government-mandated charge.

Universal Service Fund (USF): We charge the USF surcharge to recover our contributions to the US federal Universal Service Fund. These contributions are mandatory for all telecommunications service providers, and it is customary industry practice for providers to pass-through these contributions to their customers.

E911 Service Fee: E911 service is required by law on all voice and fax services in the US and Canada. We charge the E911 Service Fee to provide E911 service. This is not a government-mandated charge.

E911 Surcharge / Tax: Some states and provinces assess E911 and/or 911 taxes on telecommunications services to support local emergency services programs. These are taxes that we are required to collect from our customers and pass on to the applicable taxing authority.

State, Local, Other Taxes and Surcharges: These taxes are imposed on us by state (US) or provincial (CAN), local, and municipal governments. Applicable taxes are determined based on the customer's ship-to or service address(es).
