- 2 Previous balance is the total due from your previous invoice. We subtract any Payments Received/Adjustments and add your Current Charges from this billing cycle to get a Total Due on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire Total Due to avoid a late charge or service interruption.

NOTICE

According to Oakland Municipal Code Section 8.28.100, the owner of any premises generating garbage is responsible for maintaining garbage service, including paying garbage collection bills.

Payment is due upon receipt and becomes delinquent (a) 45 days after the invoice date for customer accounts billed quarterly, and (b) on the final day of the billing period for customer accounts billed monthly. Late payments may be subject to additional charges including late fees and property assessment.

If the invoice remains unpaid (a) after 90 days for customer accounts billed quarterly, and (b) after 75 days for customer accounts billed monthly, then Waste Management may terminate service and the City of Oakland may subscribe to service on behalf of the property owner. Once the City subscribes, property owners will be subject to a City subscription charge (authorized by Oakland Municipal Code Section 8.28.190) of \$116 for each service invoice. All future invoices for which the City maintains a subscription are subject to City subscription charges and Alameda County Property Tax special assessment.
